

LADIES RUSH TO MRS. MUNN'S

EXCITEMENT OVER MAGNIFICENT DISPLAY OF GOODS AT HALF PRICE.

There was a run on the "Shop of Swellness" yesterday, and it promises to continue all through the week. Mrs. C. Munn is having a clearance sale, and all that is necessary for the ladies to go abroad, is to whisper that there are to be had some of the finest bargains that were ever offered in cloaks, suits and millinery. And that they are bargains, it is only necessary to look at the prices.

PYTHIAN KNIGHTS AND THEIR LADIES

WITH FEAST AND SONG, SPEECH AND MUSIC, GAY SOCIAL SESSION IS HELD.

The Knights of Pythias and their ladies held a social session at Butler hall last night, and the affair was a great success. Needless to say there was a large attendance, and what with music, speech and song, and feasting, the hours flitted away in joyful tune. There was no business connected with the session at all; there was no time for business, everybody being there to enjoy the occasion to the very fullest.

Mrs. Cleary was heard in song, accompanied by Miss Schilling, and Billie Walker delighted with his sweet baritone voice. Mr. Polkenhorn gave two coon recitations which were received with acclaims of joy. He was very funny. Williams and Trescott were heard in a musical selection, and then A. W. Briggs, that brilliant social wag and wit, told a few choice stories which tickled everybody. Mrs. Letson Balliett rendered several vocal selections, and later on was called upon again, responding with "Little Boy Blue."

There was a most excellent repast which had been prepared by the ladies, and full justice was done to it, and while it was in progress, there was more music. There were artists on the mandolin and guitar, there were vocal quartettes, and there was a presentation to Dr. H. C. King, the retiring Past Chancellor. The gift of the lodge was a beautiful gold charm. On the face was the Knights of Pythias badge, and on the obverse side was a Past Chancellor badge, under which was engraved: "Presented to P. C. H. C. King, by Mizpah Lodge No. 25, Tonopah, Nev."

The presentation was made by Letson Balliett, who spoke feelingly of the retiring officer and assured him that he carried with him the best wishes of the lodge. Dr. King responded in kind in very happy vein, and the affair was the pleasantest of the evening. After the banquet, Mrs. William Grimes was called upon for a selection, and rendered with exquisite melody and feeling, "Dearie," which was rapturously encored. D. Press gave a number of selections on the piano, which could not fail of appreciation.

To the goddesses who presided over the banquet, all hail. It was left to Mrs. B. N. Anderson and Mrs. Arthur Kunze to prepare the toothsome delicacies, and the gods on Mount Olympus never sat down to a better feast. There was just what one desired, and to say that full justice was done to the dishes that had been prepared, it but slight testimony to the genius of the two ladies. To the committee of arrangements must be accorded their meed of praise, for the manner in which everything was arranged and successfully carried out. The committee comprised Messrs. B. N. Anderson, H. C. King and W. W. Booth.

COTILLION CLUB DANCE.

The Cotillion Club will have another dance tomorrow night at Miners' hall, after a rest of two weeks, and the occasion is looked forward to with a great deal of pleasure. All the old guests of the club are getting ready for the function, and a good attendance is assured. There is a "hard times" ball in preparation.

LOSES FINGERS ON HIS RIGHT HAND

ACCIDENT TO A. FAIRCHILD SHERMAN AT THE MON. TANA MILL.

A. F. Sherman, one of the California university boys in the Montana Tonopah mill, met with an accident in the mill on Sunday afternoon, losing the four fingers of his right hand. Mr. Sherman was at work on the vacuum pumps, when they became clogged, and in an effort to clean out the obstruction, his hand was caught by the cruel cogs, which tore the members from his hand.

The young man showed a remarkable amount of nerve. He made no outcry whatever, but coolly walked upstairs to where Superintendent Rotherham and others were, and told him that he had met with an accident. James Force quickly bound up the wounded hand, and Ben Bosqui tendered the use of his automobile. Bosqui, Rotherham and Geo. Jones went with the injured man to the Miners' hospital, but when the machine was within a block of it, it broke down. Without a murmur, young Sherman got out and led the way to the hospital, followed by his friends. Dr. Sidney Clark was called and he performed the necessary operation, assisted by Dr. Grissim. Both men say that they never witnessed such a degree of grit in any patient they had ever attended.

Erie Daveler, a chum of the injured man, wired to his father, Judge W. A. Sherman, at Oakland yesterday afternoon, and received an answer last night to the effect that he would leave for Tonopah yesterday morning, which will bring him here this morning. Fairchild Sherman, as he is best known to his friends, is one of the most popular young fellows of the university boys in the camp. He is a graduate of the University of California, class of '07, and after finishing at college, he made a trip through the Orient. Returning to California, he evinced a desire to learn practical milling, and came to Tonopah for that purpose last year. He has a charm of manner and a winning personality that has made him many friends, and his friendships are of the lasting quality.

Judge Sherman, father of the young collegian, is one of the best known and largest mining operators in the West. He is well known at Salt Lake, which was the family home for many years. He has large holdings in Mercur, Utah, and has been one of the big operators of this country. He floated the Gold Bar of Bullfrog, and has also considerable property in Telluride.

GRAND JURY'S PARTIAL REPORT

The Grand Jury made a partial report yesterday afternoon. Fred Davis, alias Skinner, was indicted for the murder of his mistress, Mona Bell.

Ray Simpson, the colored man who robbed Mrs. Bell at the possum supper, was indicted for grand larceny, and the white woman who claims to be his wife, was turned loose, because her husband said that she had nothing to do with the robbery.

Edward Johnson, who killed Hugh Fulton at Silver Bow, was exonerated, the shooting having been done in self defense.

OIL LAND BILL MAY PASS.

WASHINGTON, Feb. 17.—The Secretary of the Interior recently made an adverse report on the bill offered by Representative Smith to make it possible to enter presumptive oil land under the general land laws, and giving five years in which to make the discovery of oil. Word was received today from Secretary Garfield to the effect that he had not understood the purpose of the bill and that if Smith would introduce it again a favorable report would be made on it.

DOG POISONERS ARE AT WORK

MISCREANTS KILL VALUABLE ANIMAL—REWARD OFFERED FOR INFORMATION.

Some miscreant in this town has turned himself loose with poison, and is busy putting valuable dogs out of the way. The latest victim to the cowardly act was the big Irish setter owned by S. J. Stewart, the local expressman. The dog was poisoned sometime on Saturday night between the hours of 11:30 and midnight at the Stewart home on Florence avenue. The dog formerly belonged to M. J. Reilly of the famous Reilly lease on the Florence, and was a valuable animal.

Mr. Stewart will give a reward to anyone who can give information of the guilty parties. Mr. Stewart will do the rest himself.

It is hoped that the guilty party or parties are caught. The man or woman who, through sheer wantonness, would poison an inoffensive animal, horse, dog or cat, is not fit to live in a civilized community, and there has been a good deal of the cowardly work going on. Not only is Mr. Stewart on the lookout, but the police are doing some investigating on their own account, and if the guilty ones are apprehended, there will be something doing in the way of retributive justice. The nasty, cowardly work has gone on long enough.

ROEBER GOES DOWN TO DEFEAT

There was quite a crowd at Miners' hall last night to witness the wrestling match between big Fred Roeber and John Tippet, Cornish style. The bil fellow went down before the younger and more active man, although he gave him a hard fall before going. There was considerable enthusiasm, and the surprise of the night was the defeat of Roeber, who was considerable of a favorite in the betting.

LOOK AROUND YOUR OFFICE

For ledgers, daybooks, in fact for anything that may be lacking in your office, go to the Bonanza bindery. We have samples of the style of work which is turned out, but for the matter of that one does not have to visit the bindery. There are samples of our work in nearly all the offices in the city.

Our work stands as the best recommendation of the character of the stuff that we turn out. We can do anything in our line that can be done in any of the big cities, can do it as well, and give better service in the matter of prompt delivery than any other institution of the kind in the State.

Give us a trial. We will do the rest.

BUTLER'S BILL MAKES A HIT

WILLIAM WALKER IN RENDITION OF ILLUSTRATED SONGS GETS OVATION.

The new bill of the Butler caught the crowds last night, and was a success in every particular. One of the principal features was the introduction of William Walker in illustrated songs. It was "Billy's" first essay at illustrated songs, but his voice has been heard on many an occasion, and his entrance was the signal for an outburst of applause, and when he finished "Back to Mother and the Old Home," the house went to him. He was the hit of the evening, notwithstanding the fine moving pictures, and some of these were fine. In fact, they were all good. "Condemned to Marry," is a dramatic picture, as is the "Bargeman's Child." "A Restful Ride," "A Silent Story," and "The Gay Vagabond," are full of merriment, and they were highly enjoyed.

SEATS FOR THE BURROWS CONCERT

The sale of seats for the concert of Arthur Burrows will commence this morning at the Miners' drug store, where seats may be reserved. The concert, under the auspices of the Elks and Eagles, takes place on Friday night at the Pavilion theater. The full program has not yet been made up, but sufficient of the numbers have been learned to warrant the assertion that nothing to equal it in the way of vocal and instrumental music has ever been heard in old Tonopah.

INVESTIGATING ASSAULT CASE

The district attorney's office is investigating the assault on Mike Leonard by Martin Kennedy. For this reason, the case of Kennedy was not called in Judge Brissell's court yesterday morning, and for the further reason that the complaining witness was in no condition to appear against him. He is not able to speak as a result of the fearful beating he received, and which he charges Kennedy with having administered to him, when he went to him to collect an old debt. Kennedy is a former saloon keeper. It is possible that a more serious crime will be lodged against Kennedy.

The Cotillion Club will give its regular dance on Wednesday evening, Feb. 19th. 2-18-2t
